

Newsletter – August 2021

1. **AGM 2021**

This will be held online immediately after the next webinar (see below – Item 2). As is our custom, non-members are welcome to attend but may not vote. Note that we have sent this notice to all on my mailing list, members and non-members. If you cannot make the whole webinar we expect the AGM to start at around 3PM British Summer Time or shortly after but you will need to register for the whole session (see below).

I shall send an Agenda out before the meeting. If any member in good standing wishes to have a matter added formally to the Agenda please let me know in good time.

The current officers (Chair, Secretary and Treasurer) have agreed to remain in post for another year. If any member wishes to put themselves forward for a post then, again, let me know and send a CV that I can send round. We are still looking for a Vice-Chair to support David Crouch.

2. **Next Webinar**

The next webinar will be “Particulate Pollution – The PM2.5 Crises” on the **18th August at 2pm British Summer Time**. Registration is now open at:-

4. Webinars/Meetings for 2022

As things currently stand in the UK and Europe it is not possible to predict if our future meetings will be able to resume face to face in 2022 or if they will have to continue via Zoom. However, we will continue with our virtual educational programme and welcome suggestions for subjects to be covered in our 2022 series or speakers that we could approach. Please contact the section chair (dcrouch@mmm.com) or secretary (Secretary@isrpeurope.com) with your ideas.

5. Journal Available On-Line.

The latest issue of the isrp Journal (Volume 38 No 1) is available at:-

<https://www.isrp.com/>

Follow links to Journal. The full journal is for members only but non-members will find that some articles are open access.

If you believe that you are a member in good standing and cannot log in to isrp.com as a member please contact the Secretary immediately. The isrp.com website only knows of current memberships if we register them manually and it is possible that some have been missed. There is no direct link between paying your subscription on isrpeurope.com and access to the isrp.com site.

Mike Williams at Secretary@isrpeurope.com
