

Newsletter – September/October 2021

1. European Webinars

Registration is now open for the next webinar **Confined Space – ‘The Hidden Hazard’** will take place on the 7th of October 2021 at 14.00 UK time.

Speakers are:-

Stewart Ayrey of 3M Advanced Application Engineering Specialist, “Basics of Confined Spaces”

Laurent Herve of Sanofi, “Confined Space Case Study”

This, and the other 2021 webinars, are free to members and non-members alike. We apologise for the short notice for booking. Please visit the following link to reserve your place:-

https://us02web.zoom.us/webinar/register/2516327778482/WN_zT4QoBkvQu_eecfYxJuiWTQ

2. Subsequent Educational Webinars 2021

We have one more event this year, on the 9th December 2021 - Radiological Hazards. The full programme can be found at:- <https://www.isrp.com/news/335-isrp-2021-webinar-series>

The series will continue next year and we are looking for suggestions for subjects or speakers that we could approach. Please contact the section chair (dcrouch@mmm.com) or secretary (Secretary@isrpeurope.com).

3. Member Support.

Chris Dobbing of Cambridge Mask (ISRP Corporate Member) is looking for a guest blogger to write some mask related content for their website to help educate their customers. This could be a one-off, or a series of posts over a

**INTERNATIONAL SOCIETY FOR RESPIRATORY PROTECTION
European Section**

period which would be paid at an agreed rate tbd. If any member is interested in this please contact chris@cambridgemask.com or nina@cambridgemask.com directly

4. Online International Conference 2022

The Society is planning an International on-line conference for May 10th to 12th 2022. The details of how this will run are currently being decided but it is intended that there will be sessions of maybe 3 hours long to occur at different times to best suit the various sections of the Society. Obviously there is no one slot that will suit all so recordings will be made available. It should be possible to set timings so that they take place at a convenient time for at least two of the geographical areas where we have Sections.

There will be a registration fee for the Conference and there will be opportunities for sponsorship. We will be calling for papers on any topic to do with respiratory protection shortly. Obviously, protection against infectious disease will be a major theme.

Mike Williams at Secretary@isrpeurope.com

Secretary isrp European Section.
