

## Update – August 12<sup>th</sup> 2019

### 1. Update on Neuss Meeting, Wednesday November 13<sup>th</sup> 2019

Gabrielle has sent this link to help locate the 3M site at Neuss and some travel notes.

<https://www.google.com/maps?daddr=3m+deutschland+neuss>

The closest Airport is DUS Düsseldorf Airport from where a Taxi is about 40€. The closest train station is “Neuss Hbf”, and the closest tram station is “Neuss Langemarckstraße”.

Connections can be obtained via <https://www.bahn.com/en/view/index.shtml>.

I have had no recommendations for hotels yet. The website ([www.isrpeurope.com](http://www.isrpeurope.com)) contains details of speakers and is open for bookings.

### 2. Spring Meeting and AGM

We intend to co-locate our 2020 Spring meeting and AGM with the meetings of CEN/TC 79/WG 4 and 6 Working Groups in Lodz, Poland. That meeting is scheduled for March 17-20, 2020, so the proposed ISRP Spring Meeting and AGM date is **Monday March 16, 2020**. Our thanks to Krzysztof Makowski for this. If anybody wishes to present at this meeting please let me know.
