### 1. Problem with European Website.

Following the recent hiatus with the European website I have manually reinstated all Individual and Corporate memberships that I know about. If I have missed anybody please let me know. Those wishing to book for Neuss should now be able to get the £50 rate although Corporate members may have to do this through a named member. Check with me if there is a problem.

### 2. Amended International Society Bylaws

These were updated last year and have now been posted on isrp.com at:-  
<https://www.isrp.com/minutes/international-meeting-minutes/bylaws/1115-isrp-bylaws-amended-sept-2018>

### 3. Change of name for Corporate memberships?

The International Site and Bylaws refer to “Organisational” not “Corporate” memberships. I am considering having the European Website terminology corrected to match this. Does anybody have any comments?
