

## Meetings – September 18<sup>th</sup> 2019

### 1. Neuss Meeting, 13<sup>th</sup> November

We have six technical presentations and an update on the Oxford Conference in 2020.  
We still have space for one or two papers if anybody wishes to present.

The meeting will assemble after 9.30 for a 10.00 start.

Gabriele says that the closest hotels to 3M are the Crowne Plaza Düsseldorf-Neuss and the Holiday Inn Düsseldorf-Neuss both within walking distance. I am staying at the Burns Art Hotel in Dusseldorf Centre. The closest Airport is Düsseldorf Airport (DUS) from where a Taxi is about 40€. The closest train station is “Neuss Hbf”, and the closest tram station is “Neuss Langemarckstraße” which is served by tram number 709 from Neuss Hbf (main station, 10 min) and Düsseldorf Hbf (main station, 20 min).

### 2 Spring Meeting and AGM

We intend to co-locate our 2020 Spring meeting and AGM with the meetings of CEN/TC 79/WG 4 and 6 Working Groups in Lodz, Poland. That meeting is scheduled for March 17-20, 2020, so the proposed ISRP Spring Meeting and AGM date is **Monday March 16, 2020**. Our thanks to Krzysztof Makowski for this.

We are looking for presenters for this meeting. If you have work that you want to tell the meeting about please let me know.

### 3. International Conference, September 2020

The European Section of the isrp will be hosting the 20<sup>th</sup> International Conference of the Society at Pembroke College Oxford, United Kingdom between 27th September and 1st October 2020. Details can be found on the isrp.com website, or at <https://oxford.isrp.com>. This will be an inclusive and wide ranging event bringing together all those interested in respiratory protection worldwide. Please join us.

Mike Williams  
Secretary isrp European Section
